Suggestions by IRPOF

SG/IRPOF extended support on all matters which will improve the public perception of railways and gave the following suggestions:

1. There are about 10,000 promotee officers of which 9000 belong to eight organized services, and balance 1000 to 19 categories which have no career progression. The situation is bad for school Principals some of whom have not got promotion for 32 years.
2. Railway Board has made very good policies but these need to be implemented in right earnest so that promotee officers can perform in a stress free environment.
