Patiala

Subject: Hampering of Promotion Avenue of DMW promotee officers.

Respected Sir,

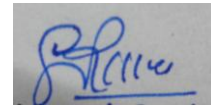

Following lines are submitted for your kind consideration pl.

- (1) The cadre of all the departments of DMW is limited as compared to Zonal railways to accommodate officers, especially Senior Scale Officers from Zonal Railways on transfer to DMW, Patiala.
- (2) The cadre position of all Deptts is being conveyed to Railway Board on monthly basis depicting nil vacancy. Yet, it is seen that in recent past, senior scale officer have been transferred by Railway Board and they have been accommodated in DMW Patiala by creating leave vacancy.
- (3) This has resulted in, that the Assistant Officer/ senior scale officer who have done glorious task for this organisation and are expecting their legitimate promotion to senior scale/Junior Administrative grade respectively, have been demoralized.

Railway Board may please be requested to avoid such posting in a unit having small cadre, which hampers the advancement of the officers of DMW.

Prompt action on the issue will be highly appreciated.

Thanking you .
